

Purchasing

All of my photographs constitute varying sizes or aspect ratios, meaning some are more panoramic, while some are more “squarish.” All are printed as large as possible and without cropping of the image, on the listed size papers. In many cases the photo does fit exactly in these standard sizes. They are all printed on Luster Fujicolor Crystal Archival Paper. Each will be autographed on the front in silver metallic pen.

5” x 7”----\$15.00 8” x 10”----\$30.00 11” x 14”----\$45.00 12” x 18”----\$65.00

Prices include shipping in the standard United States of America, and will be shipped First Class by USPS, in a shipping tube.
